September 21, 2022

NOTICE:

To All Town of Penney Farms Water Utility Customers

This notice is to inform you that the Town of Penney Farms has passed Resolution 2022-11, which includes a Wastewater rate increase. This Resolution will become effective on September 20, 2022 and will be reflected on your individual utility bills, beginning on the November 1, 2022 billing cycle, for the Wastewater usage in October, which shall be billed in arrears.

Please be advised this increase is based on the 2.0% increase imposed by the Clay County Utility Authority (CCUA) for 2022, which became effective on September 20, 2022. This increase will be reviewed and considered every year. On average, each household's monthly utility bill will be increased by \$0.56 for Wastewater charges only.

A copy of Resolution 2022-11 is available at the Town Hall upon request. If you should have any questions or concerns, please contact the Town Hall at the phone number listed above.

The Town of Penney Farms Water Utility looks forward to continuing to serve you.
